Ace Foundation celebrates 25 years of miracles

Kasey Harvey
2016 Ace All-Star

For 25 years, the Ace Foundation has been proud a supporter of Children's Miracle Network Hospitals. This year, the foundation is increasing the odds of winning in its ever-popular Fall Show Raffle benefiting CMN, with chances to win 26 prizes. Buy one ticket for \$50, or increase your chance of winning with a Fall Show Raffle Pack of four for \$150. Twenty-five lucky ticket holders will win \$500, while the grand prize winner will take home \$25,000!

Tickets will be available on the registration site and at the Ace Foundation **Booth #104**. The grand prize winner will be announced on day three of the show; winners need not be present to win.

The Windy City Welcome Party, hosted by the

Chicagoland Ace Retailers, will also benefit CMN Hospitals. This year's event will take place on Thursday, Aug. 18 from 7-10 p.m. at Lucky Strike Chicago.

Tickets to the event are \$100, with \$25 of each ticket benefiting retailers' local CMN hospitals. Retailers, please contact cdouc@acehardware.com to pay by store statement instead of credit card. This event sold out last year; purchase your tickets early!
